

Roydon Art Exhibition 2025

Roydon Village Hall will again be the venue for the Art Exhibition taking place over the May Bank Holiday weekend. We thank the artists who have supported us in the past and hope that many new (and not so new) will be exhibiting this year.

We request that you display a poster in the week or so before the exhibition to try to broaden the exhibition's geographical range. Even if you are not exhibiting, displaying a poster in a prominent place (your local shop, your front window, for example) will help to publicise the event for your fellow artists' benefit.

We will again feature **Meet The Artists** which we trialled in 2023 and was very successful. Artists will get 50% off the usual admission price to the Preview Evening and free entry on Sunday and Monday. In return we ask that you wear an Artists' Name Badge and will be on hand to answer questions about your works. We would like you to bring a paying guest with you if possible. We have to limit this to **12 artists** and will be on first come first served basis.

Last year we introduced **Master Classes** by local artists. We will have four artists (2 on Sunday and 2 on Monday) to give a short talk and demonstration about their work or about a particular technique. This is a very exciting addition which we intend building on year on year.

As in previous years, there will be a hanging fee of £2.00 per picture, and we will take the usual 20% commission. **Please note that if you are exhibiting a limited edition print or limited edition computer generated or computer enhanced picture, you must complete a Certificate of Authenticity.** These are available to download. This is only for pictures declared as limited edition.

If you need any further information or you wish to download the entry form, please visit our website www.roydonartshow.org where you can also view the diary of events for the Art Exhibition, or contact:

If you have any queries please email:
